Dear Licensee,

If you are interested in becoming a Board Approved Supervisor (BAS), or need to renew your BAS status, please review the information below.

How to apply:

In order to complete the training, you will need to mail the Application for Examination Continuing Education Credit form (found on the Board's website, <http://pat.ky.gov/Pages/applications.aspx>) to the Board along with the required \$30.00 fee in the form of a check or money order made payable to the Kentucky State Treasurer. Upon receipt of your application and fee, you will be sent an exam to complete and return within 30 days of receipt. If you successfully pass the exam, which will be graded by the Board at the next board meeting, you will receive BAS status and 3.0 hours continuing education credit. A certificate will be provided, which will need to be kept and turned back in during renewal (if audited).

Requirements to be a board-approved supervisor:

In order to obtain BAS status, you will need to be sure you meet the requirements set forth in 201 KAR 34:060 Section 2, <http://www.lrc.state.ky.us/kar/201/034/060.htm>.
